POSITION DESCRIPTION

NOTE: CalPERS offers a performance award program with the ability to earn up to 15% of base pay

The Chief Executive Officer welcomes interest from a values-driven professional with a commitment to public service to join the executive team of CalPERS. This is an excellent opportunity for a collaborative, team-oriented manager to help shape the future of the largest public pension fund in the United States, with a current investment portfolio of over \$236 billion. As an organization with global impact, CalPERS also recognizes diversity as an important business initiative and respects the advantage it brings.

CalPERS serves approximately 1.6 million active members, retirees, survivors and beneficiaries through its retirement and health benefit programs, and pays over \$14.2 billion in retirement benefits annually. The membership in CalPERS' retirement program is comprised of roughly one-third State employees, one-third employees of local public agencies that contract with CalPERS for retirement benefits, and one-third classified school employees. In addition to the well-known retirement program, CalPERS administers a health program that serves over 1.3 million members in the Health Program.

DUTIES/RESPONSIBILITIES:

Under administrative direction of the California Public Employees' Retirement System (CalPERS) Chief Executive Officer (CEO), this position provides high level oversight and overall management for diversity outreach, enterprise strategy, human resources, operations support services, and information technology functions; formulates and assists in the development of program objectives, goals and policies for the System; exercises administrative control over assigned organizational units and programs; represents the System before legislative committees, the media and public groups; and acts for the Chief Executive Officer in her absence.

The Deputy Executive Officer, Operations and Technology is a key member of the executive team responsible for counseling and advising the Chief Executive Officer and the Board of Administration on complex and sensitive operational and personnel issues. The position has direct oversight of facilities management, a diversity program within the organization as well as an external outreach program, the enterprise strategy and performance functions, and information technology operations, including the successful completion of the new my|CalPERS system. In addition, the position makes presentations to the Board, represents CalPERS on operational issues before the Legislature, the media, employee and employer groups and organizations, and other public groups. The position will also be responsible for providing policy direction in drafting legislation related to operational support services at the State and Federal levels and will be required to testify on behalf of CalPERS before legislative committees.
